## LAST WEEK AT K.I.S.S.

In our recent K.I.S.S session, we centered our discussion on an essential topic—sex trafficking awareness. Our engaging session explored the prevalence and dangers of sex trafficking across different age groups, shedding light on proactive safety measures. We extend our heartfelt gratitude to Officer Keaton for sharing his expertise, providing valuable insights, and empowering our girls with knowledge to protect themselves. The evening was made even more enjoyable as we shared a delightful dinner together, savoring delicious chicken wings and crispy fries.
