LAST WEEK AT K.I.S.S.

It was a truly remarkable night at K.I.S.S. as we embarked on an impactful field trip to the NIKE Air MI factory right here in Saint Louis. Our collaboration with NIKE staff brought forth a dynamic speed mentoring activity, allowing our girls to connect with diverse employees who had invaluable wisdom to share. Exploring the inner workings of the factory during a mini-tour was an eye-opener for our young minds. The evening culminated in a heartwarming community-style dinner. This event left a lasting impact, offering our girls an incredible opportunity for post-secondary exploration and empowering them with valuable insights.

The NIKE employees were equally amazed by the potential and promise they witnessed in our young participants. We hope that our girls recognize the tremendous value of such experiences, as they have the power to shape their futures. These moments of connection, mentorship, and exploration are the building blocks of their journeys towards success, and we couldn't be prouder of their engagement and eagerness to learn.

We look forward to welcoming all girls back to our programming on Friday, October 6th at 6:30 pm. **Here are some quick reminders:**

- Programming will be at the Delmar Divine on October 6th.
- All parents must come into the building to sign out their daughter.
- Kindly prioritize punctuality as we aim to start each session promptly.
- Check-in with staff for outstanding documents you might have.
